

## ARRIVAL BY CAR

The Marktgasse Hotel is idyllically located in the heart of Zurich's old town, away from major streets and car traffic. If you are arriving by car, it is no problem to drive directly to the hotel and unload and load your luggage. Please have your access authorization received from us ready. Please give us your number plate in advance so that we can deliver it to you before arrival.

The short drive through the old town leads you through narrow lanes that are otherwise blocked for through traffic – do not let yourself be deterred.

Please note that access is only possible via the routes marked in the following detailed map sections. Google Maps and GPS devices might in some cases suggest the wrong directions.

As Marktgasse Hotel has no parking spaces of its own, we recommend that you subsequently park your car in one of the following car parks. Please check the car park's website for actual rates. Upon arrival ask our reception team to check the current number of spaces available in the car parks. Unfortunately parking spaces cannot be reserved in advance.

**Parkhaus Urania**  
Uraniastrasse 3  
8001 Zürich

**Parkhaus Hohe Promenade**  
Rämistrasse 22a  
8001 Zürich  
(Charging stations for electric cars available)
